The amortization recognized in the item "Other", for a total amount of about € 12.5 million, mainly relates to the intangible assets recognized in the previous year upon acquisition of control over the Impregilo Group, as part of the so-called "PPA" and the disposal, valued at approximately € 11.9 million, regarding FISIA Babcock sold to third parties during the period. More details are provided in the section "Non-current assets (liabilities) held for sale".

Contract acquisition costs include the consideration paid for the purchase of non-current assets representing intangible assets with a finite useful life, which are amortized based on the percentage of completion of the works covered in the related contracts. The balance is as follows:

| (Values in €/000) | December 31, 2013 | Increases | Amortization | Disposals | Exchange rate gains (losses) | June 30, 2014 |
|----------------------------------|----------------------|-----------|--------------|-----------|------------------------------|------------------|
