

27.2 Subcontracts

Costs of subcontracts amounted to €529.3 million, down €398.5 million on the previous year. The change is mainly due to the inclusion, as of January 1, 2014, of the contracts from Salini S.p.A. as a result of the merger, which

contributed €137.6 million to the income statement 2014.

A summary table is provided below:

(Amounts in thousands of euros)	2014	% of revenue	2013	% of revenue	Change
Subcontracts	529,326	22.6%	130,796	10.3%	398,530
Total Subcontracts	529,326	22.6%	130,796	10.3%	398,530
