

### 34. Events after the reporting period

On January 23, 2015, the Salini Impregilo Group was awarded the contract for the doubling of the carriageway of the Suleja Minna road (Phase II) in Nigeria. This is an important communication route since it provides access from the capital Abuja to the Northwest of the country. The project's function is to improve mobility and to facilitate the potential development of the entire region. The contract involves the construction, in 48 months, of a new carriageway and the complete rehabilitation of the existing one. The client is the Ministry of Public Works of Nigeria. The value of the works is approx. 112 million Euros.

On February 25, Salini Impregilo reached agreement with a pool of banks comprising Banca Intesa, BNP Paribas, Natixis and Unicredit to renegotiate a significant portion of existing bank debt. The agreement concerns approximately €630 million. Under the deal, the term for repayment of €267 million of the existing debt has been extended from 2016 to 2019, with an amortization schedule starting in 2017. As part of the

refinancing of the existing debt, a five-year credit line of €165 million with repayment at term was provided. Finally, the "Revolving credit facility" was increased from the current €100 million to €200 million, available for 5 years.
