
7. Non-current intragroup loans and receivables

Non-current intragroup loans and receivables, amounting to € 2.8 million, decreased by € 0.7 million compared to the previous year end. This amount relates to receivables due from associates. The decrease is mainly due to increase in amounts due

from the Swiss consortia (€ 1.2 million) and reclassification of part of the receivable from the associate Puentes del Litoral from non-current to current.
