

9. Cost of sales

The cost of sales amounts to €615,068 and is composed of:

(Values in €/000)	Year 2013	Year 2012	Change
Costs for raw materials, ancillary materials, consumables and supplies	639,191	214,149	425,042
Change in inventories of raw materials, ancillary materials, consumables and supplies	(24,123)	(29,674)	5,552
Total Cost of Sales	615,068	184,475	430,593

The increase in the cost of sales for raw materials of €430,593 was mainly attributable to the contribution of the Impregilo Group, which at 31 December 2013 came to €276,968.
